Psychological Laboratory;

Octob. 10.13.

President Falconer.

Dear Mr. President,

In place of Mr. Bott who was appointed at the beginning of the present academic year to be assistant in the Psychological Laboratory.and who has resigned on account of taking up the work of University Extension lectures,I beg to ask that the following two graduates of last year ,Mr. John Line and Mr. Lloyd Smith be appointed as Class assistants in Psychology for the present session,at a salary of $ 100 each ,which is the exact amount that would have been paid to Mr, Bott.

I would much like if you would let me know your acquiescence in this matter as I want to get the lab. work fully arranged.

I am

yours respectfully

W. G. Smith
